Dear Mayor Walker,

Appreciation re "I'm Green" Program

Peace and greetings to you in the mighty name of Jesus!

Sir, it is with great delight that I write to thank you for your encouraging presence at Refreshing Springs Ministry Summer "I'm Green" program. It was the most beautiful thing to witness your support of your constituent at all levels, even the kids. This summer, you have helped instill in our children the beginning of dreams that lead to greatness. May the LORD bless you and every endeavor of yours in Jesus name.

Thank you very much, for their awards. They were thrilled and their families are very proud of them. With your encouragement, they have every reason to know and believe that they too, can make a difference and make Aliquippa a better place.

They learned things from the Council meeting yesterday that has made me resolve to do my best in the future to bring them to Council meetings. Several of them want to write you letters, because they heard you say "What do you want for your city?" I am encouraging them to do that and we will mail the batch to you.

It is truly a blessing to have a mayor who can relate with people at all levels, whether young or old, educated or not.

You will always be in our prayers. May the LORD strengthen you for the work ahead in Jesus name. May He also bring to pass the restored Aliquippa.

God bless you!

Yours truly

Rev. Tega V Swann,
Pastor, Refreshing Springs Ministry, Aliquippa
